

## WAYFARER WF2

BRAND OVERVIEW | Launched in 2021, Wayfarer WF2 wines are 100% estate, limited production, high quality and value driven. Inspired by the age-old question of what to open on a Monday, Tuesday, Wednesday or Thursday, WF2 wines are fresh, vibrant and richly textured.

### 2020 PINOT NOIR

TASTING NOTES | The 2020 vintage opens with aromas of vibrant dark fruit, blueberry and blackberry compote, subtle forest floor and savory earth. Delicious pomegranate enters the palate, at once refreshing, dense and powerful. Rich notes of dark chocolate round out the finish. Enjoy as the wine continues to open in the glass.

WINEMAKING NOTES | The Pinot Noir grapes were hand-picked in the cool of the night and hand-sorted at the winery. The fruit was cold-soaked then fermented in stainless steel tanks with native yeast and careful punch-downs. The wine aged in 30% new French oak barrels for 10 months and was bottled in August 2021.
